all their principles, all their feelings, and all their feelings, and all their instincts, support any man or cause no kept at each post-office. This plan is well it was said, could never, without abandoning the ordinary accounts of mails sent and receivtile to abolitionism, are now, with all enough: it involves an admission that a better

they were were in their support of Ges. Section shadows are related by asserting the section of the control of

Hon. Wm. H. Seward is not an editor, b. he is the controller of scores of Abolition and Freshold controller of scores o Assertionary as it tends to promote or to related Assertionary and the attributed and productional productions of the world with the city, for Congress; and James B. Lamb, and the city for Congress; and James B. Lamb, and the city for Congress; and James B. Lamb, and Early for Congress; and James B. Lamb, to help or injure the Aboliuon cause. And now we come to the New York Tribune,

a paper, which, by its great ability, its immen Abolitionism, has for years distinguished itse Abolitionism is its body, its soul, its life, its thingion by the neck if they believed its tenency favorable to Abolitionism. They would hail it as a greater blessing than Christianity to se human race. They would bow to it more fervently than an Eastern fire-worshipper ever bowed to the sun. They would shout its glory from morning till night and from night till morning. But they assail It with envenomed fury-assail it, as they themselves arow, be cause they see that it is a lion in the path of Abolitsonism. They behold it standing strong and terrible before them, and they would fain curse it out of their way. We will quote a few passages from half a dozen numbers of their paper in proof of what we assert. The cohowing are from its columns of seven dif-
